

## SITE IMPROVEMENT PLAN 2016-2018

### VISION

In partnership with the community, Allenby Gardens Primary School strives to empower all learners to achieve excellence, and develop the skills, knowledge and dispositions to embrace future challenges.

*"Our school, our community, our future."*

### VALUES

CONFIDENCE

HONESTY

EXCELLENCE

RESPONSIBILITY

### TARGETS

- Improved learning outcomes and growth for all young people at Allenby Gardens.
- 95% attendance rate.

### PRIORITIES

1. Leading Effective Teaching and Learning
2. Commitment to Whole Site Approaches in Numeracy and Literacy
3. Strong Social and Emotional Learning

### ACTION STRATEGIES

#### **LEADING EFFECTIVE TEACHING AND LEARNING**

- Use evidence to inform teacher practice.
- Implement differentiation strategies to target individual improvement and provide challenging learning experiences for all learners.
- Align short and long term planning with the school vision and values statements.

#### **COMMITMENT TO WHOLE SITE APPROACHES IN NUMERACY & LITERACY**

- Develop consistent and coherent agreements in Numeracy and Literacy.
- Implement effective Numeracy and Literacy practices underpinned by rigorous research.
- Performance improvement processes and professional development translates into consistent practices across classes.

#### **STRONG SOCIAL AND EMOTIONAL LEARNING**

- Implement a whole site approach to core social and emotional competencies.
- Develop and promote student leadership and voice.
- Maintain and further develop family and community partnerships.
